There are several reasons why we enjoy Rotary and I want to share one with you. We receive good medicine each time we come. We Laugh together and laughter is good medicine. We love to sing our closing song *Smile and the world will smile with you*. A smile is a close cousin to laughter. *Jack*

Laughter is the Best Medicine

Sure, it's fun to share a good laugh. But did you know it can actually improve your health? It's true: laughter is strong medicine. It draws people together in ways that trigger healthy physical and emotion changes in the body. Laughter strengthens your immune system, boosts mood, diminishes pain, and protects you from the damaging effects of stress. As children, we used to laugh hundreds of times a day, but as adults life tends to be more serious and laughter more infrequent. By seeking out more opportunities for humor and laughter though, you can improve your emotional health, strengthen your relationships, find greater happiness - and even add years to your life.

Why is laughter the sweetest medicine for mind and body?

Laughter is a powerful antidote to stress, pain, and conflict. Nothing works faster or more dependably to bring your mind body back into balance than a good laugh. Humor lightens your burdens, inspires hopes, connects you to others, and keeps you grounded, focused, and alerts. It also helps you to release anger and be more forgiving.

- **Laughter relaxes the whole body.**
- **Laughter boosts the immune system.**
- **Laughter triggers the release of endorphins.**
- **Laughter protects the heart.**
- **Laughter burns calories.**
- **Laughter lightens anger's heavy load.**
- **Laughter may even help you to live longer.**
- **Laughter helps you stay mentally healthy**

Laughter makes you feel good. And the good feeling that you get when you laugh remains with you even after the laughter subsides. Humor helps you keep a positive, optimistic outlook through difficult situations, disappointments, and loss.

Humor for the day:

A little boy took his little girl friend to get there marriage licence. The clerk told them they were to young, The little boy ask can you give us a learners permit.

R

The young college student had been warned about the bucket on top of his door. He saw it and he took it down and pour the water down his sink not knowing that the pipes under his sink had been taken off.

R

The wife told her husband that she dream that he gave her a pearl necklace for valentine's day What do think that dream means. He shook his head and went to Work. He came back from work with a wrap gift. Oh how wonderful she open it and it was a book on the meaning of dreams.
