# 50 Things Every Rotarian Should Know About Rotary

by Steve Garret, District Governor 1994-1995

## 1- DEFINITION OF ROTARY

How do you describe the organization called "Rotary"? There are so many characteristics of a Rotary club as well as the activities of a million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people and many more descriptive qualities.

In 1976 the Rotary International Board of Directors was interested creating a concise definition of the fundamental aspects of Rotary. They turned to the three men who were then serving on Rotary's Public Relation Committee and requested that a one-sentence definition of Rotary be prepared. After numerous drafts, the committee presented this definition, which has been used ever since in various Rotary publications:

"Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

Those 31 words are worth remembering when someone asks, "What is a Rotary club?"

## 2 - THE OFFICIAL ROTARY FLAG

An official flag was formally adopted by Rotary International at the 1929 Convention in Dallas, Texas. The Rotary flag consists of a white field with the official wheel emblem emblazoned in gold in the center of the field. The four depressed spaces on the rim of the Rotary wheel are colored royal blue. The words "Rotary" and "International" printed at the top and bottom depressions on the wheel rim are also gold. The shaft in the hub and the keyway of the wheel are white.

The first official Rotary flag reportedly was flown in Kansas City, Missouri, in January 1915. In 1922 a small Rotary flag was carried over the South Pole by Admiral Richard Byrd, a member of the Winchester, Virginia Rotary Club. Four years later, the admiral carried a Rotary flag in his expedition to the North Pole.

Some Rotary clubs use the official Rotary flag as a banner at club meetings. In these instances it is appropriate to print the words "Rotary Club" above the wheel symbol, and the name of the city, state or nation below the emblem.

The Rotary flag is always prominently displayed at the World Headquarters as well as at all conventions and official events of Rotary International.
