POLICE OFFICER TESTIMONY

If you ever testify in court, you can only hope to be as sharp as this policeman.

He was being cross-examined by a defense attorney (DA) during a felony trial. The lawyer was trying to undermine the policeman's credibility, as lawyers are known to do. But, things didn't go as planned this time

DA: "Officer, did you see my client fleeing the scene?"

Cop: "No sir. But I subsequently observed a person matching the description of the offender, running several blocks away."

DA: "Officer, who provided this description?"

Cop: "The officer who responded to the scene."

DA: "A fellow officer provided the description of this so-called offender. Do you trust your fellow officers?"

Cop: Yes, sir. With my life."

DA" "With your life? Let me ask you this then, officer. Do you have a room where you change your clothes in preparation for your daily duties?"

Cop: "Yes, we do."

DA: "And do you have a lock on your locker?"

Cop: "Yes, sir."

DA: "Now why is it officer, if you trust your fellow officers with your life, you find it necessary to lock your locker in a room you share with these same officers?"

Cop: "You see, sir, we share the building with the court complex, and sometimes lawyers have been known to walk through that room."

The courtroom erupted in laughter, and a prompt recess was called.

"This story has been floating around the internet for some time now...but please let it be true!"
