If you are mailing your valentine you only have three days left. Be one of out of a million that will buy and send a valentine. Bring joy to someone by remembering them. Hope you will enjoy reading a little history about valentine and then share one with someone or ones. *Jack*

### The Legend of St. Valentine

The history of Valentine's Day - and the story of its patron saint - is shrouded in mystery. We do know that February has long been celebrated as a month of romance, and that St. Valentine's Day, as we know it today, contains vestiges of both Christian and ancient Roman tradition.

Approximately 150 million Valentine's Day cards are exchanged annually, making Valentine's Day the second most popular card-sending holiday after Christmas.

Americans probably began exchanging hand-made valentines in the early 1700s. In the 1840s, Esther A. Howland began selling the first mass-produced valentines in America. Howland, known as the "Mother of Valentine," made elaborate creations with real lace, ribbons and colorful pictures known as "scrap." Today, according to the Greeting Card Association, an estimated 1 billion Valentine's Day cards are sent each year. Women purchase approximately 85 percent of all valentines.

*All you need is love.  
But a little chocolate  
now and then  
doesn't hurt.*
