## *In Honor of Glen's Completion of a Year of Good Work* Appreciation Quotes for Good Work

**Opportunity comes to those who quit Waiting and start Looking. Success comes to those who quit Thinking and start Doing. Congratulations for Looking and Doing.**

**Your work speaks volumes of the kind of man you are – efficient, organized and result-oriented.**

**Even the smallest of jobs well done will take you one step closer towards the success that you have always dreamed about. Keep it up.**

**Your hard work and effort have paid off! A success well deserved, an occasion worth celebrating! Congratulations!**

**Doing a good job is not always about impressive innovation. Sometimes it is only about doing something with plain dedication. Well done.**

**Not a single effort of yours will go in vain. You will be rewarded for your pain. Your hard work will bring you a lot of gain.**

**“The highest reward for man’s toil is not what he gets for it, but what he becomes by it.” – John Ruskin**

**If Oscars were given for a job well done, I’d nominate you! Congratulations for your fantastic achievement!**

**A person who feels appreciated will always do more than what is expected.**

**You deserve to be congratulated for your hard work, honesty, and utmost dedication. Congrats and best wishes for a promising future.**

### *Seven Principles for Cultivating Gratitude:*

- 1. Gratitude is independent of our objective life circumstances**
- 2. Gratitude is a function of attention**
- 3. Entitlement precludes gratitude**
- 4. We often take for granted that which we receive on a regular basis**
- 5. Gratitude can be cultivated through sincere self-reflection**
- 6. Expressing gratitude, through words and deeds, enhances our experience of gratitude**
- 7. Our deepest sense of gratitude comes through grace, with the awareness that we have not earned, nor do we deserve all that we’ve been given.**

*Take time this week to be grateful and to praise your co-workers - family friends with works of appreciate!*
