## Rotary President-elect Sam F. Owori dies

Rotary International President-elect Sam F. Owori died unexpectedly on 13 July due to complications from surgery. Sam was a member of the Rotary Club Kampala, Uganda, for 38 years.

"Rotary has become a way of life for me – with the intrinsic value and core belief in mutual responsibility and concern for one another as a cornerstone," Sam said when he was nominated last year. "I feel immense satisfaction knowing that through Rotary, I've helped someone live better."

Sam's term as Rotary's 108th president would have begun on 1 July 2018.

"Please remember Sam as the outstanding, hardworking Rotarian he was," said Rotary

International President Ian Riseley. "In this difficult time, I ask you to keep his wife, Norah, the Owori family, and Sam's millions of friends around the world in your thoughts."

Under Sam's leadership, the number of clubs in Uganda swelled from nine to 89 over the course of 29 years.

Sam was the chief executive officer of the Institute of Corporate Governance of Uganda, whose mission is to promote excellence in corporate governance principles and practice in the region by 2020. Previously, he was executive director of the African Development Bank, managing director of Uganda Commercial Bank Ltd., and director of Uganda Development Bank. He has also served as corporate secretary of the Central Bank of Uganda.

"Sam was a special person in so many ways, and his unexpected death is a huge loss to Rotary, his community, and the world," Riseley said. "We are establishing details on plans to celebrate his life as they become available." Rotary is establishing a memorial fund in Sam's honor and will provide details soon.
